

**BHSA CHAMPION ANCIENT MARINER**

This trophy was established when our membership was much younger and those over 50 were seen to need encouragement to continue competing rather than playing golf. Points are awarded for starting (as usual for handicap races) with additional "age" points for finishing, plus summed race points for 50% of aggregate races run. These days the trophy is available only to those 70 and over. As with all of our handicap aggregates, it pays to sail often.

| Member          | Races sailed | Total Points |
